#### Life Around I.C.

Mr. Nation pauses in the hallway to talk to Gary Bauke. Mr. Nation often takes time to talk to students about academics and school

Not everyone is camera shy like Rex. Some people even ignore cameras at noon and speed the time catching up on the day's events with friends.

# Table Of Contents

A teacher is more than an instructor at I.C.

He often has to dig deep like Mr. Branham

when organizations sell Booster Buttons,

Student Life	2-7
Personalities Personalities	8-45
Academics	46-65
	66-83
Activities	
Organizations	84-101
Sports	102-117
Advertising	118-128

#### Being Yourself At IC

The students at Indian Creek have many different activities during the day. Being a Brave certainly isn't easy! Coming to school every morning can really be a drag. But, living up to our name . . . We're Brave.

During the day each Brave lives a different life from the others. Here are just a few of the students at work and play.

Being human is sharing things with your fellow classmates. And so, welcome to BRAVE COUNTRY.

A very familiar scene around I.C. is groups around the restroom, especially between classes.

Jim, Bev, and Connie show their spirit by decorating the main lobby before a big game.

The food at I.C. isn't all that bad, as proven here by the Senior girls. Chicken is a rare treat for lunch.

Whatever it is, it must be funny since Barb, Glenn, and Marsha are becoming hysterical.

When your friends desert you at noon, the next best thing is to talk to yourself in the mirror as Leslie, Frank, Joe and Jim demonstrate.

As Dianne tells Vickie some exciting news, Annette is deep in her own thoughts at noon.

Bo is antimated in telling Jim something that seems to be very important.

Love and the rings that go with it have special meanings to girls at I.C.

# Being Yourself With Friends

Seniors show their enthusiasm for the end of school by doing those things they always wanted to do-litter the gym.

Bev and Jane are busy crushing ice for the punch at the Homecoming dance while others enjoy the music.

As usual, Woody takes it easy.

#### Seniors Enjoy Last Year

It has been a busy year for all Seniors. After waiting for eleven years just to be the number one class, they find mixed emotions.

There is happiness as we approach the last days of high school. This is one of our dreams. But, none of us will ever forget any of our favorite Braves from Indian Creek.

With just 72 more school days left, they know that 12 years of education won't get them very far.

# Getting Together With Friends

What after lunch? Some kids catch up on the latest at the information desk before returning to class.

Seniors proudly display their personalities by wearing their Senior Cords.

ness of the school corporation. Board members are Ezera Satter, Keith Wilkerson, and Robert Bridges (front left to right). Helping these board members are the superintendents Charles Ray and Roger Adkins.

The School Board is elected to run the busi-

Mr. Nation goes over some mail with his secretary Mrs. Haugh. Mr. Nation handles the operation of the high school.

Mr. Ramey and Mrs. Davenport work on Athletic tickets for a coming game. Mr. Ramey served as Assistant Principal and Athletic Director. Mrs. Davenport handled the attendance and athletic accounts.

Mrs. Tichenor and Mrs. Lasley check a library book that has just come in. Mrs. Lasley also serves as A.V. secretary helping teachers with films.

# Service Is Their Main Business

Feeding 500 students is not the easiest job at I.C. It takes six cooks to see that food is prepared and ready when lunchtime arrives each day. These women put in many long days over the 'hot kitchen stove' in order to

prepare the fresh yeast rolls and other specialities they serve. School banquets and other special events that require food often find the school cooks on the job.

Mrs. Van Sickle, Mrs. Lockhart, and Mr. Snider keep the school clean and operating. The ladies work during the day to see the rooms are clean and that the school building is kept spotless. Among his other duties, Mr. Snider repairs school facilities that break down and sees that the operation and maintenance are kept up.

#### Braves In English Department

Self Expression is one of the primary goals of the English Department.

Courses which are considered to be part of the English Department are: Speech, Journalism, Exploratory Teaching, and all English and Literature classes.

Being Human means being able to communicate with others. That is why we study English.

Miss Carr helps her students with their spelling.

Some of the students take advantage of the spare time to work class assignments.

Sleepy Seniors listen to Mrs. Ditmars during their first period Literature Class.

Bear Abel holds the interest of his fellow classmates in Speech and Dramatics class.

Alice Graham gives a speech to her class on more school spirit.

Mike Walker gets some pointers on teaching Mr. Braham's Health class on the annual turn-about day.

#### Classes In Foreign Languages

"Repetition is the mother of education," was written by Jean Richter in Levana. Any foreign language student would have to agree with her.

They will remember how they had to repeat every new word time after time in order to learn it.

Latin, Spanish, and French was offered for two year courses. Next year they hope to offer a third year course in one of the languages.

Miss Mishler's Latin I Class keeps her busy by asking her how to conjugate verbs correctly.

Only one boy knows the answer to Miss Vilet's question in Spanish.

Tape recordings of French, and posters of Paris assist Mrs. Stafford in teaching the students about the culture and language of France.

P.E. Builds Muscles
And Coordination

A doctor cures people, an artist draws a picture, and Physical Education coordinates the body response.

In the two semesters required of students in P.E. the students participate in sports keyed to the seasons. In spring softball and track, in fall football and soccer, and in the winter it's basketball. These sports coordinate the students and also build the bodies they exercise. In advanced P.E. the students do the same but in greater levels. Also the advanced students are allowed to become assistants.

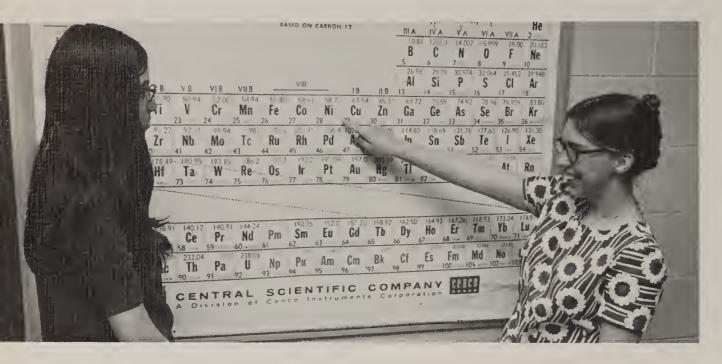

Mrs. Newton helps girls build a pyramid during a tumbling class.

The girls are playing dodge ball. Look out if you happen to be in the gym.

#### Learning Through Science

Linda Frownfelter explains to Anita Jesse what the symbol Ni means on the chart. Part of Chemistry entailed memorizing the table of elements.

The funny smell in the hallways probably came from the chemistry room where mad science students are working on their latest brew. Chemistry and Physics are two of the advanced sciences offered.

Students in Biology found themselves with knives poised, ready to cut into a perfect specimen. The girls usually became a bit squeemish, but nothing detered them from completing a required dissection. Both Biology I and II are offered for students wishing to study living sciences.

Bill Swayze and Paul Wilder study the results of their latest experiment. The two mad-scientists are unsure of their results.

Eric Hunt and Kathy Saladin discuss the absence of fish and plant life in the biology aquarium. A major concern of biologists is the effect of pollution on life forms.

# Learning About Health And

An important part of the sophomore year is learning to drive. Instruction in and out of the classroom are vital before a student takes to the roads. Driving around the parking lot, backing up, parking on the drive, and practicing life saving habits are part of the course. Then the cars go out on the roads to see how much students have learned.

Health is a required subject, but one that can be fun. Students not only study the human body, but talk about drugs and practical safety habits. Several guest speakers came in and talked about drugs or life saving.

Gayla Drane prepares to take Mr. Branham for a ride around the parking lot. All this is part of the driver training program.

#### Learning To Drive

Rhonda Kean explains the circulatory system to Teresa Gee during health class. Circulation is just one of the many areas that students studied this year in health.

## Learning In Mathematics

Mrs. Swearengen, Mr. Sturgell, and Mr. McNeely share in the teaching of the Math courses offered at I.C.H.S. this year. They include Basic Math, Algebra I & II, Geometry, Senior Math, and Business Math.

Vickie, and Debbie are comparing the answers in Math Class.

Mr. Sturgell instructs lessons in Senior Math Class.

Mr. McNeely helps students in Algebra I Class with their problems.

Mr. Harmon is explaining a problem in Sociology.

#### And Social Studies

I.C.H.S. has many courses offered in the Social Studies field. Among those offered are: Sociology & Psychology, U. S. History, Economics & Government, World History, Civics, and added this year to the curriculum is Geography.

Mr. Harmon's U.S. History class is waiting for the bell to ring.

Questions are discussed in Mr. Burns' Senior Government class.

#### Artists Create Beauty

Self expression comes in many forms, but one of the favorite forms at I.C. is art. The Art classes study many mediums for expression and work on various projects in these mediums. Some of their work goes on display in the show case or in the halls. Special projects were displayed for open house and at Christmas in the halls and in the office. Mobiles, still life drawings, and cartooning were just a few of the projects these artists created.

Mobiles of all shapes, sizes, and designs were hung in the office and the library during the year. These all expressed the favorite interest of the creators.

Verle Kersey works with cartooning. Using books and models he learns to create his own characters and to copy others.

Designs showing perspective were made out of paper and glue. First the design is made and then shadows glued on to give an illusion.

Jim Cooper and Greg Voris work on a shop project for the stage. During the year they built all the sets used for the stage as part of the class.

#### Learning For Their Future

Shop, Agriculture, and Drafting classes work during the year on many individual projects as well as projects for the school. Shop classes learned about woodworking and metals while making lamps, tables, and bookends. Students in drafting worked on house plans and model drawings as projects. When the weather was right the Ag classes worked on the school farm property. During the winter they rebuilt machinery in preparation for spring.

Chris Abel watches as Ag boys hook up an implement to the tractor. Learning about farm machinery was part of Ag.

Chris Woods helps Effie Fitzpatrick with her drafting plans. Learning to use drafting tools was part of the course. Repairing farm equipment, repainting tractors, and building new feed troughs was part of the work for Ag boys.

#### Home Ec Helps Prepare Students

The Home Economics classes of Indian Creek High learn how to prepare themselves for their future. They learn about dating, engagement, marriage, and financial problems that all go along with the future.

Even the boys can learn. In Comprehensive Home Ec. they too learn the necessary things that are needed to help plan and live their future.

Mrs. Wagoner gives her classes study time after they've had their daily discussion.

Kathy Searcy finishes her sewing in Home Ec. class.

Wilma Bowling is busy cleaning out the oven, after her class fixed a big meal.

#### Marching Band And Bravettes Entertain

The band works on their numbers to perform at the next game.

Being host of the Johnson Co. Band Festival wasn't all that was done by the band, under the direction of Mr. Zent. The I.C.H.S. Marching Braves performed at all home ballgames during the football and basketball seasons. In May they performed a Musical at Indian Creek. They also raised money by selling fruit from Florida and by selling swinger seats. They ended the year by taking a trip to King's Island in Ohio.

With their new outfits the Bravettes entertained at halftime of the I.C. football, and basketball games. Under the direction of Miss Vilet, the Bravettes also participated in the Musical, and raised money by selling combs.

The Bravettes pose for a picture before going out on floor to practice.

The combined bands of Johnson Co. are ready to play as soon as the director, Mr. Heath makes the announcement.

#### Concert Choir And Mixed Chorus

The Concert Choir, and Mixed Chorus of I.C. had a busy year. For the Concert Choir there was the Christmas program first, which was presented to the public and the high school. Next came the hardest one to present, "South Pacific," and then after that it was the Baccalaureate. In March both groups participated in the Johnson Co. Choral Festival at Greenwood and in May they presented the Annual Spring Sing. In December they both presented the I.C.'s Annual Christmas Program in the I.C.H.S. gym. It was another busy, but memorable year for the Choir members.

The Concert Choir poses for a picture in their sky blue blazers.

The Johnson Co. Honor Choir is ready to sing at the Choral Festival. Indian Creek had 10 members in it.

The I.C. Mixed Chorus prepare to sing right after the picture is taken.

#### Show Their Talents Proudly

A frequent soloist with the choir is Teresa Heiney who had the part of Nellie in "South Pacific."

Part of the annual Christmas show included dancing combined with the music of the Concert Choir.

Entertaining at the Athletic Banquet are the Rhythmaires. They sing for many special functions in the community representing the school.

Mrs. Woods strives for perfection. Here Rita, Linda, and Elaine take dictation.

Linda concentrates deeply as she types her next assignment.

#### Studying Business

Many girls prepare for their future by taking Business courses. All the teachers hope they have done their best to prepare these students for secretarial careers.

Some boys also take business courses to help them in their future.

The Business courses consist of: Typing, Bookkeeping, Shorthand, Secretarial Practice, Intensive Lab, General Business, Business Machines, Business Math, and Business Law.

Mrs. Bradley tells her secretarial practice class that they can use the adding machines in the next room.

Connie Singleton and Brenda Brewer find shorthand a tiring subject.

# For Careers Of The Future

Mr. Wertz helps Sherry Davis with her bookkeeping problems.

Sharon and Jackie work hard at typing while Mr. Wertz watches.

# Being Yourself In

## Activities

#### ACTIVITIES

Drama Night	62-63
Homecoming	64-65
Awards Day	66-69
Sports Banquet	70-71
Prom	72-73
Commencement	74-77

Ensign Nellie Forbush, Teresa Heiney, discusses a letter she has received from home with Lt. Joe Cable, Glenn Collier.

Make-up is one of the most difficult aspects of the stage for the sailors to accept. Jayme Price, Sue Miller, and Sherry Bradley get ready while Annette Ford waits to help Gene Ellis reluctantly apply his make-up.

Bloody Mary, Diana Price, sings about the forbidden Bali Hai to the Seabees and Lt. Cable. Although forbidden to sailors, Billus manages to get Lt. Cable to let the men go.

## "South Pacific" Biggest

"South Pacific" was the major production of the year for the music and drama department. Combining the best of each, the musical played to near full houses April 28 and 29.

The story was set in the South Pacific during World War II. It tells how two Americans, Nellie and Lt. Cable, fall in love with someone from another country—Nellie with a French-

man and Cable with a native girl. Both attempt to reconcile these differences.

Meanwhile a war is going on and the Seabees are contributing by making grass skirts for the soldiers on R & R on their island. Bloody Mary is about the only girl the Seabees ever see, and she is their only love. And Mary is the chief competition for the Seabees hand made skirts.

#### Show Of The Year

Lt. Adams, Jim Abel, attempts to explain how Billis fell out of a plane to Capt. Brackett, Tom Stockton, and Comm. Harbison, Kevin Kitch.

As part of the Thanksgiving entertainment Billis, Eric Hunt, and Nellie sing "Honey Bun" during which Billis steals the show with his famous belly dance.

Bloody Mary encourages Lt. Cable to marry her daughter Liat, Jayme Price. As Mary sings "Happy Talk" Liat speaks to Cable through native hand language.

Nellie has found that she and Emile, Dave Baugh, are not so different when she visits his plantation home. In fact she discovers she is in love with him and he with her.

#### Braves Beat Lancers At Homecoming

Victory, spirit, getting to see old friends are all part of a Homecoming. But one of the most exciting things is the crowning of the Homecoming Queen. And at Indian Creek, we always have a good turnout.

The 1971 Homecoming was a great one. For the football team, by defeating the Edinburg Lancers, and an extra special one for Senior, Sue Miller who was crowned the queen. Even though there is only one Homecoming a year, each one is full of fun, and memories.

The three Senior girls picked for queen candidates were: (left to right, back.) Teresa Woodall, Patty Bray, and Sue Miller. (Queen) The three underclassmen were: (left to right) Sandy Mullendore, Karen Clay, and Gail Ingram.

Many stayed for the dance after the game.

Jim Anthony crowns Sue Miller queen of the 1971 I.C.H.S. Homecoming.

The I.C.H.S. band plays the school song at the bonfire while the fans sing up their spirit

Marsha Nutt tags Marsha Rogers to keep the Sophomore-Junior team from scoring. The Senior-Freshman team came out with the victory.

#### "Age Of Aquarius" Is Theme

"Age of Aquarius" was the theme of the 1972 Indian Creek High School Jr.-Sr. Prom. It was held at the Franklin College Campus Ballroom. The main highlight of the evening was the crowning of the Queen and King. They are picked from 4 girls, and 4 boys all Seniors.

Everyone is anxiously awaiting the crowning of the 1972 King and Queen at the Prom on Friday evening, May 5.

The couples dance to the music of the Final Episode at the Jr.-Sr. Prom.

The candidates were: (left to right) Lawrance Rueff, Sue Miller, Mike Sisson, Linda Catt, Don Thompson, King; Teresa Woodall, Queen; Robbie Wilson, and Patty Bray.

King Don Thompson and Queen Teresa Woodall dance the traditional King and Queen's dance at the Prom.

#### For I.C.'s Prom Of '72

The Indian Creek post-prom was held at the Martinsville YMCA from 12:30 to 3:00 in the morning. Besides having plenty to eat, many things were available for the students' enjoyment; such as ping pong, pool, swimming, basketball or just talking to your friends. Most everyone enjoyed themselves, and many finished with a picnic to Brown County the next day.

After getting into more comfortable clothes, students have a snack or two before going into the active post-prom.

Not only students are active at the postprom. Mr. Harmon shows his talent at a game of ping-pong.

Many take a refreshing dip in the pool after playing a game of basketball or any other tiring game.

Paul Wilder concentrates on winning over his opponent in a game of pool.

#### Many Awards Presented

Athletic awards were presented during the year to those who went the extra mile to make the Brave teams victorious. This was a big year for the Braves as they captured the Conference in Cross Country and Track. Last summer the 1971 Baseball team brought the County Tourney Trophy to I. C. May 19 all were recognized at an All Sports Banquet.

The Awards table as it looked before the banquet began. All major football, basketball, cross country, track, and some baseball awards were made to Braves and Cheerleaders.

Food was the first thing on the program and there was plenty of it. The banquet was a pitch-in and the line to get to it was almost endless.

Mike Sisson who was a record setter in Cross Country and Track is congratulated on one of his many awards by Coach Sieboldt.

On Awards Day Lawrence Rueff received the Abe Smith Award from Coach Branham. Lawrence also received the Glenn and Leano Ray Scholarship Award for his leadership in academics as well as athletics.

At All-Sports Banquet

Major award winners gather after the banquet with their trophies and Linda's athletic blanket for her cheerleading. Left to right are Joe Burris, Mike Bidleman, Mike

Sisson, Linda Catt, Robbie Wilson, Terry Fulp, Larry Cook, Lawrence Rueff, and Ray Bidleman. Several of these are double award winners.

Mike Sisson receives the MVP award in Track from Coach Welch. Mike set many records for the Braves in Track and Cross Country.

Mr. Nation presents the Valedictorian medal to Gracie Nichols as Linda Proctor waits to receive the Salutatorian award.

Lowell Noel receives the American Cancer Society Award for his Science Fair project from Mr. Heckman. This is the second year Lowell has received such recognition.

#### Seniors Receive

Awards Day for Seniors brought recognition to Seniors who had achieved in many areas. Academic awards were presented to National Honor Society members, scholarship winners, and athletes for classroom achievements. Awards were also given for special services rendered to the school as library assistants, Thespians, Student Council members, F.H.A., as well as many others.

Jane Walker was chosen Sunshine Society Girl of the Year and Outstanding Sunshine Society Girl of the Year by the SSS. Mrs. Woods presented Jane with her dual awards.

#### Honors

National Honor Society members replace their blue tassles with NHS gold tassles. Lawrence Rueff, President of NHS, led the 17 Senior members in the change.

Scott Ingram, Senior Class President, turns over the key of leadership to Junior Class Vice-President, Paula Craig. Paula accepted for the Junior Class and for class President Paul Clark as Juniors became Seniors of '73.

Leann Stone receives the Kenneth Rider scholarship to attend Franklin College. Each year the Kenneth Rider Co. presents such an award to a Senior attending Franklin.

Donna Lucas accepts the Choral Music award given by Glenn and Leano Ray. Mr. Ray presented Donna with her award.

#### Baccalaureate Services

"Concent To Be" was the Baccalaureate topic of Rev. M. W. Robert Craig of the Trafalgar Christian Church. Also participating were Rev. Myron Young, Morgantown Baptist Church, and Rev. Alfred E. Webb, Nineveh Christian Church. It was a very solemn moment as Seniors realized they would soon be out of school and making it on their own.

Getting ready for the big moment means getting hair arranged, caps on straight, and getting lined up in the proper order for the final march as a class.

"I'm not sure," seems to be Cindy's answer to Paul Clark's question. Paul and Cindy were two of the Junior ushers.

No one knows for sure what is going on in the minds of these senior boys as they wait to march in. Lawrence is playing with a balloon and Jim looks to be in a daze while Don is studying something in his hand.

Cap and Gown boxes line the stage as seniors put the final touches on their appearances before the processional.

#### Prelude To Commencement May 21, 1972

A lone senior makes last minute adjustments on her cap before she assumes her place in line. Remembering which box was whose became a problem on the stage.

Seniors await the platform guests at Baccalaureate before being seated. Sandy Mullendore served as a Junior escort for the Class of 1972.

The Concert Choir, under the direction of Miss Snell, sings "Exodus" and "The Lord's Prayer" for Baccalaureate Services. Later the Senior Concert Choir members sang "Prayer for Peace" as their special number. Pat Woods provided the music for the processional and recessional and the Concert Choir number. Greg Voshell accompanied the Seniors in their final number.

#### Joy And Sadness Are Signs

"It's a time for joy, and a time for tears . . ." After twelve long years, the class of 72 finally made it. On May 21, 1972 they became graduates of I.C. With many memories, sad and happy thoughts, and long good byes going behind them. Only knowing each other for five years, many long-lasting friendships were created. Many friends not to see each other for many years, and some to never see again. Yes, everyone looks forward to getting out of school, but when the real thing finally arrives, you hate to see everything and everyone leave. And it's truly . . . "a time you'll treasure through the years."

#### CLASS OF 72

"Happy are those who dream, dreams and are ready to pay the price to make them come true."

Tom Stockton, Class Vice-President, introduced the Commencement speakers. Mr. Ray and Mr. Satter also spoke briefly to the graduating class.

Lawrence Rueff was one of the Commencement speakers. He chose as his topic "The End of the Beginning" and challenged his classmates to go on seeking their goals.

"Happy Are Those—" was the topic of Gracie Nichols. She took her topic from the class motto as she asked if the Seniors were ready to pay the price for their dreams.

Junior escort Terry Lattimore stands as Seniors take their places during the Com-

mencement Processional. Escorts also assisted Seniors when diplomas were granted.

## Of A Senior In May

## Cheerleaders, Pep Club Boost Spirits

Many members of the pep club attended all the games this year. The spirits were high through victories and also defeats. I.D. in index.

The ICHS cheerleading squads strove for a loud booster section. Good attitude and sportsmanship were just as important as participation in athletics. If the cheering section maintained such qualities, the cheerleaders felt their goal had been reached.

This year the Varsity and Reserve cheerleaders attended Cheerleading Camp at Vincennes University where yells were taught and ideas exchanged. They won many ribbons.

The Freshman Team and Cheerleaders deserve the honor of spirit also, because they had active backing and had a very successful year. These five girls led the yells for our Varsity team this year: (bottom to top) Donna Lucas, Cindy Ray, Linda Catt, Sandy Mullendore, and Gail Ingram.

The spirited pep club of I.C.H.S. is on their feet cheering the Braves on to a Victory.

#### With Our Cheerleaders

The Freshmen cheerleaders are: (top to bottom) Karen Clay, Terri Cobb, Vickie Ralph, and Debbie Sipes.

"Braves got SPIRIT-yeah man!" is the yell of the I.C. Reserve cheerleaders. Front Gay Drane, and Nancy McKee. Back: Lisa Hash, and Susan Walker.

Above is the I.C. Letterman's Club. To be a member of this club you must own a Varsity letter.

Lawrence Rueff receives the Glenn and Leano Ray Scholarship from Mr. Glenn Ray on Honors Day.

#### Lettermen And Their Awards

Coach Welch presented awards for both football and track at the All-Sports banquet.

Coach Welch congratulates Joe Burris on his football award as the Bidleman brothers, Ray and Mike, look on. The I.C. Letterman's Club has been an active club this year. They sold Indian Creek T-shirts, pins, and blue derby hats for the sectionals. They also initiated the new Varsity letter winners from Football and Cross Country, while many of the members received new sweaters, jackets, and trophies. As always they ended the year with many of them winning awards at the all sports banquet.

#### S.S.S., Business Clubs Active

"I am an American," was the theme of the 1971-72 Sunshine Society. The Sunshine Society is one of our schools largest clubs. S.S.S. has an S.O.S. committee which makes small gifts to represent the nearest holiday and take them to nursing homes and to special education students.

The F.B.L.A. invited speakers from local businesses and business colleges to their meetings. This gave many Seniors an opportunity to find a good place to work after graduation.

They also took a field trip to some surrounding business places.

Girls who are proud to be Americans devote their extra time in spreading sunshine to those who need it. ID in Index.

Teresa, Patty, and Marsha try to figure out who they will have come to speak at the next business club meeting.

Members of the Business Club had a lot of good times this year while listening to guest speakers and their trip to local businesses was fun also. ID in Index.

#### G.A.A. Develops Girls' Skills

A player streaks across the goal line for a touchdown, the tie-breaking basket is scored on a fast break and a volleyball is spiked over the net for a point and the players are girls! Girls Athletic Association is the newest club at I.C. Their first activity was a powder-puff football game. The girls competed in volleyball and basketball this year with even records. G.A.A. sponsored a booster button sale for the sectional, a greeting card sale, and a G.A.A. night to boost their treasury.

The girls are ready to play basketball in the I.C. gym.

Basketball is a new sport for girls at I.C.H.S. Below is a picture of our first girl's team. ID in Index.

Smiles from the future leaders in schools? It's possible because these are the members of F.T.A. ID in Index.

The men in tomorrows Agricultural scene may consist of many of the members of the F.F.A. of I.C.H.S. ID in Index.

# FTA & FFA In Action

Bev, Mike, Mar, and Dar get together to discuss their last meeting so the secretary can check her notes.

The Future Teachers of America consists of those students who would like to go into teaching. They have one day out of the year where they exchange places with the teacher and see what it's really like.

The Future Farmers of America is a club where boys join to learn even more about farming and agriculture. They participate in soil judging contests and many others. They are an active group of I.C.H.S.

#### Many Find Science Clubs Interesting

The Social Science Club ended their year with a trip to New Harmony and Vincennes, Indiana. ID in Index.

This year the science clubs learned much about physics, chemistry, and biology. Movies, field trips, and special projects are all a part of their science education.

Katie Teeters and Lowell Noel won numerous awards for their projects in the science fair. Their awards were both from local and regional science fairs.

The members of the Physical Science Club learned this year under Mr. Heckman's supervision. ID in Index.

The Biological Science Club increased their membership this year. They experimented with many different articles. ID in Index.

#### World Is Stage For Drama Club

"All the worlds a stage." for Dramatic Club members, and Thespians. In November they sponsored a Drama Night of three one-act plays; "The Fall of the House of Usher," "Bachelor of the Year," and "Teachers Pet." In February "Our Miss Brooks" was staged. Seventeen new Thespians were tapped, one of the highest numbers ever admitted at I.C. The club sponsored Christy's Dance Revue as a special project in November.

Sue Miller and Scott Ingram, under the watchful eye of the director, Miss Edwards, rehearse a scene from an up-coming play.

Some of the members of Dramatics rehearse for one of the three one-act plays they gave at the beginning of the year.

Tom Stockton looks on in amazement at the events befalling Greg Voshell in the production of "The Fall of the House of Usher."

Below are the members of the Indian Creek Dramatic's Club. One of the many active clubs at school. They worked on 3 major productions and assisted the music department with others. ID in Index.

"Parlez-vous Français?" The members of our French Club would answer, "Oui." ID in Index.

### Language Can Be Fun

French Club, in learning more about France, went to a French Restaurant for a dinner which featured snails. Early in the year they had a Chili supper and sponsored sochops. Mrs. Stafford is the club sponsor.

The Latin Club did not go unnoticed this year during their initiation ceremonies. The old members had slaves. Some of the slaves even had to drink from a baby bottle at lunch. Mrs. Mishler is the sponsor.

Under the sponsorship of Miss Vilet, the Spanish club had an active year. They sponsored soc-hops, sold candy, and ate at the Spanish Restaurant in Bloomington, Indiana. The highlight of the year will be a trip to Mexico during the summer.

Latin may be considered a "dead" language because it isn't spoken very much anymore, but it is very much alive to the members of the J.C.L. ID in Index.

The first phrase most Spanish students want to learn is "Te-Amour," which means, "I Love You." ID in Index.

#### F.H.A. And N.H.S. Teach Leadership

The Future Homemakers of America is a co-ed club which is sponsored by Mrs. Wagoner and by Miss Settles. 1D in Index.

Gracie, Linda, and Carolyn clean-up after eating. Gracie is the state Parliamentarian. Linda won the Betty Crocker Contest and Carolyn is the club president.

Future Homemakers of America is one of the largest clubs this year. Sponsored by Miss Settles and Mrs. Wagoner, F.H.A. presented programs on safety, home life, patriotism, and first-aid.

Gracie Nichols served as the first state officer from this chapter. She attended the National Convention in Kansas City.

The National Honor Society tapped 17 new members this year. They select their members on the basis of scholarship, leadership, character, and service. They also have to have and maintain a 3.0 average. Junior, Myra Watson received an honorary membership. She is the first student to ever achieve this honor at Indian Creek.

National Honor Society members strive to improve the school through service. Twentysix were members this year. ID in Index.

#### Library, AV Clubs Aim For Service

The Library Club pauses a moment for a picture. There are about 45 members this year. ID in Index.

Library Officers are (from left to right) Fred Hall, Linda Proctor, Susan Vaughn, and Mike Graves.

Mrs. Bray probably has a problem trying to keep all these boys quiet while she explains how to use the Audio Visual equipment. ID in Index.

#### Library, Audio Visual And Student Council

By selling snacks to the teachers, the Library Club purchased new books and magazines. Members of the club assisted Mrs. Tichenor in the library during the year with clerical duties.

The A.V. Club teaches students how to use the school equipment. They are assigned to the A.V. room during study halls and assist teachers with films and records.

Student Council worked for better student government this year. They sponsored the Homecoming, poster contest, and convocations.

The A.V. officers are Glenn Collier, Chris Abel, Gary Bauke, and Keith Taylor.

Student Council members pose in front of the school. ID in Index.

The poster contest is one of the Student Councils projects. This is an example of student art work before a game.

Track 102-103

#### Varsity Battles For Every Inch

The second year of I.C. Varsity football was not as successful as hoped but in years to come, it'll improve. You have to expect a smaller school to take time to be as good as a larger school. But we the fans of I.C. feel that the Braves did their best throughout the season. And we also feel it won't be long till the I.C. Braves are the top team.

Coach Welch gives Mark Renner last minute instructions before a big play.

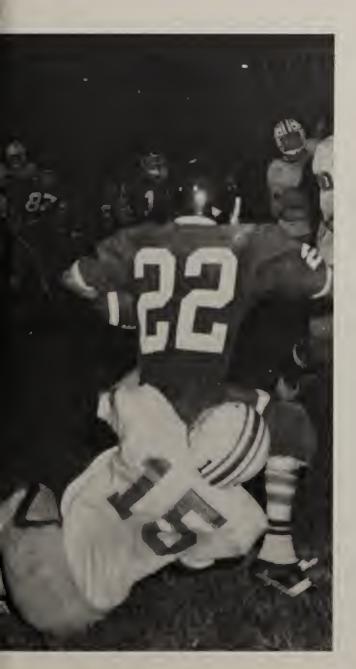

Ed Lancaster pulls down a Martinsville runner as Don Wilkerson, comes up to assist.

The above picture is the I.C. Varsity Football team for the season of 1971. ID in Index.

The 1971 football coaches, and assistant were: Left to right: Tom Scott, Tom Welch, head coach, Jim Anthony, and Jerry Wagoner.

#### Braves Battle Tough Season

The Varsity Braves, wearing their new warm-ups, pose in front of the scorers bench before a practice session. The young team battled well established teams all season

gaining in experience and poise. Lawrence Rueff was the only senior on this year's squad under the new varsity mentor, Jim Branham. 1D in Index.

The Varsity Braves suffered a rough 6-15 season, but the record does not tell the whole story. With only two returning starters from last year, the Braves went through a season of rebuilding. Under Coach Branham, in his first year at the helm of the Varsity, the team learned new plays and strategies for the season. It took several games before the netmen settled down as a team. Many of the losses were heartbreakers of a few points. Many games saw the Braves ahead until the closing minutes of the game. It was a hot and cold season. But come Sectional time, the Braves drew Center Grove, the eventual Regional winner, and gave the Trojans the toughest game in the Sectional. The first half the Braves kept the Trojans running and eventually lost. The team is young and with nine players returning. They have jelled as a team and have set their sights on next season.

Coach Wagoner and his Reserve team found the last few seconds of games most frustrating. The Reserves lost some close games in the final seconds. It was a building year for the Reserves as most of last year's team moved up to fill Varsity spots. ID in Index.

1

Coach Jim Braham yells instructions to his team.

Terry Sturgeon scores two from his favorite spot.

## Many Faces Of Braves In Action

The Braves eagerly await the tip-off for the start of another victorious game.

Good defense plays an important part in winning as Lawrance Rueff proves by blocking his opponents shot.

#### Freshman Very Victorious

Members of the 15-3 A-Team are proud to wear the Braves warm-ups. They worked hard to prove their might. ID in Index.

The Freshman A-Team was the most victorious Brave team on the hardwood. The A-Team, under the guidance of first year coach Jim Anthony, won 15 of their 18 starts this season. They lost close ones to Waldron in tourney play and to Brown County and Franklin.

The B-Team won 6 of their 12 games during the season. Most of their losses were by margins of less than 10 points.

Players from both teams can look forward to some great seasons as reserve and varsity players in coming seasons. It looks like the Braves are off to some successful basketball seasons.

B-Team members gather around Coach Anthony after posting a 6-6 record. ID in Index.

Glenn Scott jumps and shoots to make two for the Freshmen B's.

Blocking an opponent's shot is one of Mike Weaver's favorite pastimes.

#### Always Ready To Play And Win . . .

Coach Jim Anthony instructs his team to play a little harder.

#### Braves Swing Into Action

The baseball team hit a snag this season. The near perfect team of last year did not get off to a good start this spring. All but two of the starters returned, but this did not help the Braves. A rain soaked diamond postponed several games and some were played in the mud. Just as the team began to jell, it would rain again and the diamondmen would suffer another set-

back. But come Sectional time the Braves were up to defend their title. They went all the way to the final game and lost a 5-2 decision to Martinsville. With only two lettermen graduating, the Braves look to be a stronger team next year, providing the rains hold off long enough for them to play ball.

Varsity diamondmen await the bus for an away game. The Braves purchased new uniforms this season. ID in Index.

In front of the new dugout, the Reserve Brave baseball team awaits the start of a game. ID in Index.

Getting a base hit was the goal of Brian Renner. William Giles waits his turn to bat.

The view from behind home plate shows the defense ready to move on the upcoming batter.

Bill Zigglemeier takes a mighty swing for a base hit.

Coach Wagoner and the dugout wait out the tense moments of the game till they advance

in the batting order.

#### CC Has A Good Year

Mid-Hoosier Conference champs was the goal set by the Cross Country team and achieved. The team made great improvements over last season by posting a winning season and the Conference win. Leading the team this year was Mike Sisson closely followed by Lawrence Rueff, Phil Yoder, and Mike Davis around the course. The team's losses came against the power-houses in the County. Losing only three runners, the team looks to be strong again next year.

The I.C. Cross Country team is all smiles as they hold one of their trophies, they worked hard to win. ID in Index.

One of our top runners, Mike Sisson gains on a Whiteland man to take the lead.

Coach Sieboldt gives his team last minute instructions before a big meet.

#### Set, And Broke Many Records

Above the Cross Country Seniors hold a trophy they're proud of. Left to right: Mr. Nation, Lawrence Rueff, Mr. Ramey, Mike Sisson, Mr. Sieboldt, and Glen Collier.

Phil Yoder leads a Greenwood man as he nears the finish line.

## Outstanding Track Team,

The I.C. Track Team had a very good year. Under the coaching of Mr. Welch and Mr. Sieboldt they won the All Conference Meet, bringing home a new trophy for I.C.'s trophy case. During the year they broke many records, records from Indian Creek, the All Conference records, and other schools records. The I.C. Track Team had an outstanding year, one that will be remembered and recorded in the record books for years to come.

Ray Bidleman is shown throwing the shotputt and breaking another record.

I.C. wins another event as Phil Yoder nears the finish line to break the string.

Terry Sturgeon passes another guy to win the 440 for I.C.

## Brings Home All "Conference"

Ed Lancaster goes up, and over the bar to help his team in the All Conference Meet.

Above the Track Team shows off their All Conference Trophy very proudly.

Terry Sturgeon jumps the broad jump for L.C.

Cheers, claps, and yells were all that was heard after I.C. picked up the All Conference Victory.

#### Journalists At Work In . . . 72

The year of 1971-72 has been a very busy one for the yearbook, newspaper, and advertising staff's. The yearbook staff had to work with pictures layouts, and typed copy to complete the 1972 Tomahawk. The newspaper staff had to get information on stories, write the stories, proofread them, and then type it. The advertising staff was busy selling ads to get money for the newspaper and the yearbook.

We wish to thank our many friends that helped us complete this yearbook. And although it was hard work, we hope this book is full of fun and memories for you as much as it was for us putting it together.

Thank You ALL, Yearbook Staff

Mar Shaw and Jan Ratliff are busy at work completing the 1972 Tomahawk.

Dar Shaw types the next issue of the LI'L BRAVE.

Alice Graham, Vicky Voris, and Cathy Irving are getting ready to go out and sell ads.

As Mar rests after turning in the final paper on the yearbook, she says, "I can't believe we did the whole thing."
